

Wednesday, July the 30th at 10 pm died

Aiad Zakaria

15 years old let to drown in the Po river by the Guardia di Finanza that was pursuing and beating him. He died just like Abder one year ago, drowned to escape Guardia di Finanza. And only two months ago the Red Cross has let to die Neijl Hassan Fathi, Tunisian, locked up in Corso Brunelleschi.

Enough with deaths! Enough with round-ups!
Enough with police violence!
Enough with State Racism!

Wednesday, August 6 at 6 p.m.
